

X-SERIES

COLLECTION

Marks the spot. Evocative of a treasure map, the letter X always reveals a good idea of where to look. The X-SERIES table range is defined by its bold, architectural X-shaped base - a graphic art gesture that brings clarity and strength to every piece.

Each table is anchored by a single central column connected to a die cast, high-pressure bracket, their structural integrity capable of supporting a variety of top shapes, and sizes.

For extended length tables, the X-Twin variation separates the "X" into a dual-column configuration, offering enhanced stability while maintaining the range's distinct identity.

With its striking silhouette and refined proportions, X-SERIES balances engineered functionality with a strong visual rhythm - furniture as both structure and statement.

X-SERIES is offered in table, bar, side and low heights, black or white as standard, and custom finished to multiple colour choice by request.

X-TWIN series is offered at table height with capacity to support top lengths from 900mm to 3000mm. Black or white as standard, and custom finished to multiple colour choice by request.

MATERIALS	FINISHES	FEATURES	WARRANTY
Steel & Cast Aluminium. American or Tasmanian Oak. American or Tasmanian Oak veneer / EO MDF. Laminated Board / ABS edging. HPL compact laminate.	Black or white powdercoat as standard. Laminate. CARE INSTRUCTIONS:

- Dust and wipe bases with a soft, damp cloth.
- Gently clean any marks with a soft dampened cloth then dry.
- Didier recommends always reading the label of any cleaning products and not using cleaning agents containing abrasives or solvents.

ENVIRONMENTAL STATEMENT:

At Didier, we believe good design should enhance life without costing the earth. Our work is rooted in responsibility - sourcing sustainable materials, minimising waste in production and collaborating closely with skilled makers, prioritising ethical supply chains. We design for longevity, creating enduring pieces that stand the test of time. To us, sustainability is not a trend, but a guiding principle, that is woven into every stage of our artistic process and every original idea we bring to life.
